History of the CIEP

The CIEP welcomes you to the former *Manufacture royale de porcelaine de Sèvres* (The royal Sèvres porcelain factory). Built in 1756 under Louis XV, at the request of *Madame de Pompadour*, the building housed the *Ecole normale supérieure de jeunes filles* (Teacher Training Institute for Women) until 1940. In 1945, in response to a desire to go international, the *Centre international d'études pédagogiques* (International Centre for Pedagogical Studies) was created. CIEP, a public institution under the supervision of the French ministry of national Education, offers you high standard accommodation and hospitality facilities.

Arrival

The CIEP is at your service from the moment you arrive. The reception is opened daily from 7 a.m. to 7.30 p.m. There is a night guard from 7.30 p.m. onwards.

Rooms

Indeed, the CIEP counts 90 rooms. There are all single rooms, equipped with telephone, television with 10 satellite channels and 24 TNT channels, internet socket (ethernet cables available at the reception), bathroom and hair-dryer. The socket in the bathroom is for the use of electric shavers only. The voltage is 220/240 V.

You will find a welcome tray in your room, with coffee, tea, herbal tea and biscuits. All our rooms are non-smoking. The cooking or storage of food is prohibited.

Only guests staying at the CIEP may enter the rooms. Please maintain silence after 10 p.m.

A magnetic card enables you to open your room, to activate electricity once inserted into the slot near the door and gives you access to the IT room (Montesquieu room) on the ground floor.

Please remember to remove the card from the slot when you leave the room.

Rooms are cleaned daily from Monday to Saturday (except on holidays). The sheets are changed once a week and bathroom linen is changed on request.

On the day of your departure, you must vacate your room by 9 a.m. You can leave your luggage in the *bagagerie* (luggage room) situated near the reception area. Please return your magnetic card and guest feedback questionnaire to reception.

Meals

The CIEP has a *salle à manger* (dining room) and a *salle café* (coffee room) on the 1st floor, as well as a *self-service* on the 2nd floor to the right of the main courtyard. During the week, the self-service is open for breakfast from 7.30 to 9 a.m. Lunch is served in the dining room between 12.30 and 1.15 p.m.

On the weekend, breakfast is served from 7.30 to 9.30 p.m.

For participants who would like to have dinner in Sèvres, a list of restaurants is available at the end of this document.

Security

In case of emergency, contact the reception 24/7.
The CIEP cannot be held responsible for thefts.
