

	
	EXAMINERS ONLINE TRAINING THE DELE MODEL
	Unidad de Certificación y Acreditación (examinadoresdele@cervantes.es) Instituto Cervantes

The DELE system

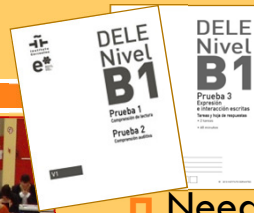

DELE exams

- Six levels

- Over 800 examination centers in more than a 100 countries
- Five sessions per year
- Approximately 70.000 candidates

DELE exams

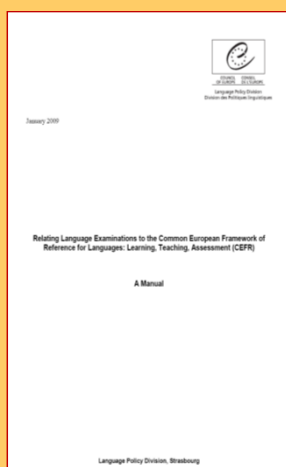

- Test of spoken production and interaction, with double rating (scales) at the examination center

- Need to guarantee validity and reliability
- Four parts

Accreditation system

- Examiners accreditation: code number
- Standards of the *Manual for Relating examinations to the CEFR*
- On-site, blended and online courses
- Standardised courses: A1 -A2, B1-B2, C1 -C2
- “Domino” method of training + Specifications + Tutor’s guide

Online course of accreditation for DELE examiners

- Platform: Moodle
- Tutored courses
- Interactive activities with automatic feedback
- Communication activities in discussion forums

Course components

- Document of contents
- Activities: interactive or communication, with...
 - Specifications
 - Exam forms
 - Videos...

Course structure

□ Introduction

□ Module A1 / B1 / C1

- Structure and analysis of the exams
- Administration (written and oral parts)
- Rating scales (activities)
- Illustration
- Rating workshop

□ Module A2 / B2 / C2

Course structure

□ Illustration and rating workshop

- Three videos for illustration, with activities: levels 2, 1 and 3
